

TOPPER TRACKERS

306 | 346 | 376 | 386

“The key to a better riding, handling and tracking hull requires more than just a basic hull shape.”

TOPPER TRACKERS 306 | 346 | 376 | 386

The reason we are the number one Car Topper on the market is twofold. One, we build the toughest tinny on the market, and two, we build the driest, safest, best handling vessel in the sub 80kg weight division.
